# **Independent Auditor's Report**

To the Board of Directors of EOD Warrior Foundation

### **Opinion**

We have audited the accompanying financial statements of the EOD Warrior Foundation (the Foundation), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the EOD Warrior Foundation as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the EOD Warrior Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the EOD Warrior Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or

the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the EOD Warrior Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the EOD Warrior Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Restriction on Use**

#### NOTE 1 - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Organization

EOD Warrior Foundation (the Foundation) is committed to providing funds and support to military service members, veterans, state and local government employees, and civilian employees wounded in the course of performing explosive ordinance disposal (EOD) activities. The Foundation serves the EOD community by providing financial assistance and support to active duty and veteran wounded, injured, or ill EOD warriors, families of the wounded and fallen EOD warriors, and by maintaining the EOD memorial. The Foundation is supported primarily by fundraisers and the generosity of donors.

#### **Basis of Presentation**

The financial statements, which are presented on the accrual basis of accounting, present net assets and revenue, expenses, gains and losses based on the existence or absence of donor-imposed restrictions. Net assets, revenue, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net assets without donor restrictions* — Net assets not subject to donor-imposed stipulations. Net assets without donor restrictions may be designated for specific purposes by the action of the Board of Directors.

Net assets with donor restrictions — Net assets subject to stipulations imposed by donors and grantors. Donor restrictions are temporary in nature; those restrictions will be fulfilled by actions of the Foundation pursuant to imposed stipulations or by the passage of time. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Revenues are reported as increases in net assets without donor restrictions unless use of the related asset is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law.

### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## Cash and Cash Equivalents

For financial statement purposes, the Foundation considers all highly liquid investments with a maturity of three months or less when purchased to be cash and cash equivalents. Balances in these accounts may, at times, exceed federally insured limits. The Foundation has not experienced any loss in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

### NOTE 1 - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Pledges Receivable

Pledges receivable are unconditional promises to give that are recognized as contributions when the promise is received. Pledges receivable that are expected to be collected in less than one year are reported at net realizable value. Pledges receivable that are expected to be collected in more than one year are recorded at fair value at the date of promise. That fair value is computed using a present value technique applied anticipated cash flow. Amortization of the resultant discount is recognized as contribution revenue. The need for an allowance of uncollectible pledges receivable is determined based on an evaluation of collectability of individual promises. All pledges are considered fully collectible at December 31, 2023 and 2022, respectively. Accordingly, no allowance for doubtful pledges receivable has been recorded.

#### Investments

Investments are recorded at fair market value in the statements of financial position. Any realized and unrealized gains and losses are reflected in the statements of activities.

# **Property and Equipment**

Property and equipment are stated at cost. Depreciation is calculated using the straight-line method over the assets' useful lives as follows:

Equipment3-30 yearsWebsite3 yearsLeasehold improvements5 years

#### **Contributions**

The Foundation records special events revenue equal to the cost of direct benefits to donors and contribution revenue for the difference. Contributions are recognized when the donor makes a promise to give to the Foundation. Gifts of cash and other assets received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor restrictions. When a time or purpose restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reports in the statement of activities as net assets released from restriction. Contributions with donor-imposed restrictions that are satisfied within the same reporting period as received are reported as net assets without donor restrictions.

#### **Donated Services**

Donated services that create or enhance non-financial assets or that require specialized skills and would have been purchased if not provided by individuals possessing those skills are recorded in the statement of activities at their fair value. Other donated services received that do not meet these criteria are not recorded in the financial statements.

In 2015, Ken Falke, a former Chairman of the Board, made a pledge of \$100,000 to EOD Warrior Foundation, payable in \$5,000 increments over 20 years through April 2034, as noted above. In addition, in 2020 the EOD Warrior Foundation shared an employee with another organization, Boulder Crest Foundation, for purposes of training overlap between EOD and the Boulder Crest Foundation. Ken Falke was Founder of Boulder Crest Foundation, and chaired the EOD Foundation through May 2020, and served as Co-Chairman for a short period, before retiring from the EOD Foundation.

#### **NOTE 5 – INVESTMENTS**

The Fair Value Measurements Topic of the FASB Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are briefly described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the assets or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair values of all of the marketable securities as of December 31, 2023 and 2022 are based on unadjusted, quoted prices in active markets as of the measurement date (often referred to as Level 1 inputs.)

The following table presents the balance of financial assets measure at fair value on a recurring basis as of December 31, 2023 and 2022:
