# A YEAR OF CHANGE

To our EOD Family and Friends,

Thank you to all our EOD family, friends, and partners! Your steadfastness, support, and kindness made this a year of growth and learning as we navigated the challenges of 2020. Because of this support, the Foundation continues to be impactful and supportive, ensuring that programs are here 24/7 for you all ... the entire EOD family.

As you read this 2020 Annual Report, I hope you feel the same extreme pride I do in our adaptiveness and perseverance. Even as we hope to return to a new normal soon, new ways of coming together will continue, allowing Foundation programs to be more inclusive and open to all. These new programs have created a more robust community that allows all of us to be together, both in person and virtually. And new platforms and channels, such as the Behind the Warrior Podcast and zoom active duty briefs, have opened, allowing for greater appreciation of our amazing EOD family and their unique stories.

From the online auction to the virtual toast, dancing videos, shared stories, and a streamed EOD Memorial Ceremony, we all created an EOD Memorial Weekend to be remembered and ensured that we continued to honor and remember our fallen EOD warriors. Thank you again to all who participated in this amazing event.

On behalf of the Foundation's Board of Directors, Honorary Advisory Board, Staff, and Ambassadors, please accept our sincerest thank you for your support. Your generosity makes a difference every single day.

Honored to Serve,

Greg K. Mittelman  
Chairman, Board of Directors

We are committed to financial transparency. Please see:

“Thank you to the EODWF for the inspiring and relaxing retreat. Being with just the EOD family and being able

to share our unique stories with people who really understood was an incredible experience that we will treasure always. This is an amazing community and we are so proud to be a part of it!”

-EOD Warrior

“Receiving a scholarship from The EOD Warrior Foundation created a sense of relief, recognition, and encouragement for me. I felt relief in knowing that my family and I wouldn’t have to struggle as much financially because of my educational goals. I feel encouraged to pursue my dreams with less worry and more hope. This scholarship was truly a gift that will help carry me through my education, personal, and professional development. Thank you again.”
